

# SIMPLIFIED SCHOOL DISTRICT APPLICATION

If there are multiple schools applying from one district that are using the same menu, those schools may submit the following simplified district application:

- One Application Cover Sheet\* (page 1 of the application),
- One set of Menu Worksheets (page 4-7 of the application),
- One set of recipes, food product ingredient statements, and/or Nutrition Facts Labels,
- District-wide Nutrition Education and Physical Education/Activity Worksheets (page 8-9 of the application),
- District-wide Competitive Foods Worksheets (page 10 of the application),
- District-wide School Policies and Practices Checklist (page 11 of the application),
- District-wide Wellness Policy, and
- One Review Committee Verification Form with the superintendent and district food service authority (foodservice director) contact information (page 12 of the application) - signatures are not required, only contact information.

**Each school must have their own:**

- Food production records (not required for Bronze level )

Please include a brief paragraph with your application submission explaining that the district is submitting an application for multiple schools.

\*The district should attach a directory that provides the following information for each school:
