NOTES:

Each school needs to provide proof that they are enrolled as a Team Nutrition (TN) School. Even if you have been a Team Nutrition school in the past you need to make sure your school is still listed on the database.

Each school is required to have an individual application. The form requires the designation of a TN School Leader and the signature of the school's principal, necessitating an individual school application.

To check if you are already enrolled and listed on the TN database:

- Go to <http://teamnutrition.usda.gov/team.html>
- Click Schools Database (right hand side of page)
- Click Search Page
- Enter the school's ZIP Code to determine if the school is listed in the TN School Database

If you need to enroll:

- Go to <http://teamnutrition.usda.gov/team.html>
- Click Enrollment Form (right hand side of the page)
- Print off and fill out the one page enrollment form
- Have the school's foodservice manager and school principal sign the form
- Fax it to 703-305-2549

Or mail it to:
