

Dark Green and Orange Vegetables

A chili made of a blend of vegetables, black beans, and smokey spices all served with ancient Aztec whole-grain quinoa.

Smokin' Powerhouse Chili

WEST JUNIOR HIGH SCHOOL

Minnetonka, Minnesota

Our Story

Hopkins West Junior High School is located just across the Hopkins border in Minnetonka, Minnesota. It was one of the first middle schools in the State to receive the Blue Ribbon National Schools of Excellence award from the U.S. Department of Education. It was also named one of the "100 Highly Effective Middle Level Schools" by the National Association of Secondary School Principals.

The recipe challenge team developed dishes that were prepared by the school nutrition staff and then offered to students during their lunch hour. A "Meet the Chef" table was set up for students to submit their recipe evaluation forms and suggestions. In the end, the results showed that the Smokin' Powerhouse Chili was a success among students. It stands apart because of its warm, rich flavors.

As the recipe challenge team describes it, their vegetarian quinoa chili is "the bomb!" As a main dish, it has a smoky blend of spices coupled with some of Minnesota's best harvest. Smokin' Powerhouse Chili is the perfect dish to help you warm up from the inside out on a cold winter's day!
