

Wyoming SNAP Displays

Title: What's the Big Sweat about Dehydration?

Developed by: Tamra Jackson, Wyoming Department of Education;
tjacks@educ.state.wy.us .

Audience: Everyone

Objective: Benefits of Hydration, Facts, and Ways to Get More Water in Your Day

Handout: None

Instructions: The water facts are placed under the waterfall pictures, so that viewers can lift up the pictures and read the facts underneath.

Interactive Component: *The bulletin board is interactive. The board has waterfall pictures that are taped or glued at the top and can be pulled up to see the facts underneath.*

Resources: www.ezine.com, *dri report 2004*

Evaluation Request: Wyoming SNAP hopes you find this information useful in your educational setting. We appreciate any and all comments or feedback on this display. Please connect and complete a quick survey at <https://survey.uwyo.edu/TakeSurvey.aspx?SurveyID=p21L8o6K> .
