

Wyoming SNAP Displays

Title: Supermarket Sweep

Audience: Children and parents

Objective: Identify SOMETIMES vs ANYTIMES foods

Handout: *Shopping Tips and Shopping List*

Instructions: *Microsoft publisher is needed to print off the shopping carts. Two carts need to be printed. The carts will need to be trimmed and taped together. The foods can placed in each cart. The bulletin board elements can be laminated, if desired.*

To make the cart interactive – *the bulletin board should be laminated and Velcro attached to the pictures and the cart, so that the pictures can easily be removed and replaced. The Velcro can be purchased at any office supply store.*
