**HOW CAN YOU, AS A FAMILY DAY CARE HOME PROVIDER
PARTICIPATE IN CACFP?**

CACFP IS A FEDERALLY FUNDED PROGRAM DESIGNED TO OFFER AID TO HELP FAMILY DAY CARE HOMES (FDCH) TO PROVIDE NUTRITIOUS MEALS TO CHILDREN AGES 12 AND UNDER.

Good Eating Habits

Children form healthy eating habits in their early childhood years. The lessons they learn in childhood will last a lifetime.

Presenting children with a variety of nutritious foods can help them learn to make nutritionally sound food choices.

Family Day Care Homes that participate in CACFP can support positive eating habits by:

Introducing children to new foods

Encouraging favorable attitudes toward food

Encouraging children to eat a variety of foods

Implementing family style meal service

Meals & Reimbursements

This program provides reimbursement for nutritious meals and snacks served to children (12 years of age or younger) and infants. Reimbursement is based on the income level of the local geographic area, child care provider, or the children in care.

Reimbursement for meals served in day care homes is based upon eligibility for TIER I or lower TIER II rates.
